SCRAPPER TECHSMITH

Difficulty: Hard

Factions: Invaders + Pirates

Strategy: Fill your scrap pile with ships, then unleash devastating payloads on your opponents.

Game plan:

- Your win condition is to bombard your opponents' bases with massive Scrap Payloads
- In the early game, don't worry about losing ships and structures, your goal is to fill up your scrap pile
- In the midgame, use your Automated Scrapyards consistently to grow your scrap pile
- In the late game, hold onto a Security Code to ensure your Scrap Payloads are unstoppable

SCRAPPER TECHSMITH

Reserves: If your opponents are causing trouble, swap cards from your reserves with those in your arsenal between games

Reserves composition:

- ♣ 1 🚀 Smuggler
- 🚀 2 🛡️ Energy Bomb
- ♣ 1 🛡️ Hyperspeed Hunter
- 🕒 1 🚀 Security Code
- 🕒 1 🚀 Outbid
- 🕒 2 🛡️ Stall
- ♣ 1 🛡️ Warship
- ♣ 1 🚀 Scrapper

Reserves strategies:

- If you want to include more powerful ships, swap in a Smuggler, a Hyperspeed Hunter, a Warship, and a Scrapper
- If you're finding it hard to deal with enemy actions, Outbid and Stall provide extra protection
- If your Scrap Payloads are being countered, adding another Security Code might help
- If you end up with surplus resources, Energy Bombs can use them to finish off a weakened base
